

# Messiah Summer Day Camp

Summer fun for kids ages 4-12

June 26-August 4

Messiah Summer Day Camp offers many different ways for campers to experience God's creation through fun and engaging activities. Counselors will lead the campers in Bible lessons, games, field trips, music, arts and crafts and more. Past field trips have included Lincoln Park Zoo, Montrose Beach, Bowling and more!

## What Parents are Saying

"I enjoyed the camp program, the religious content and the location. From the bottom of my heart, thank you for all your work and for being so loving with the children. I believe experiences like Messiah Lutheran Summer Camp will aide in shaping her to be kind, respectful, and secure in who she is as a person."

"Thanks again for a wonderful camp season! My boys had a great experience again this year and hope to be back next year."

## Staff

Counselors are experienced with children and looking forward to sharing their gifts and talents with your child. All camp staff have been trained in CPR and First Aid and have had a background check performed through the state of Illinois.

## Meals and Snacks

Campers should bring their own sack lunch from home each day. A healthy midmorning snack will be provided by camp. Campers should also bring a refillable water bottle with them everyday to stay well hydrated as we try to spend much of our day outside.

## Registration and Payment Information

A \$30 registration fee is required. This fee must be remitted with registration forms prior to the start of camp. Camp fees are \$100 per week for one child. Additional children of the same family receive a 10% discount. You may pay your camp fees in one lump sum or on a weekly basis. If you choose to pay weekly, payment is due before the start of camp each Monday morning. If paying for the summer in full, be sure to ask about our pre-pay discount.
